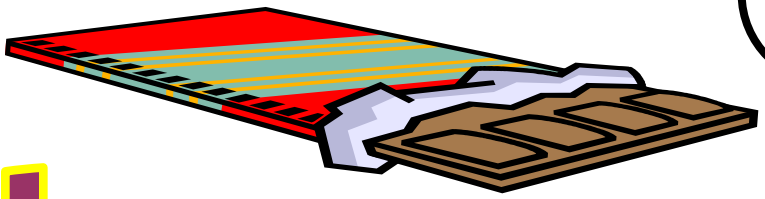
Chocolate



In Geography we will be finding out:

- Where cacao trees are found.
- About the factors affecting the growth of cacao trees.
- About other cash crops.

We will use our Literacy skills to:

- Write recounts in the form of diaries.
- Write non-chronological reports.
- Create comic strips.

We will use our Numeracy skills to:

- Solve multiplication and division problems including remainders.
- Measure lengths and calculate areas.
- Find pairs of numbers in multiples of 5 and 50 that total 100 and 1000.

In Technology we will be finding out:

- How to make our own chocolate bar.
- What we can add to chocolate.

In Art we will be finding out:

- How to make a wrapper for our chocolate.

In International and ESDGC we will be finding out:

- What fair trade chocolate is?
- What other fair trade products are there?

In Science we will be finding out:

- About the ingredients in chocolate.
- If chocolate causes tooth decay.
- Why chocolate wrappers are made from special materials?
- What the melting point of chocolate is?

In History we will be finding out:

- Who first discovered chocolate?
- Who took the first chocolate to Europe?
- About the importance of cocoa beans for trade
