Hello everyone

School events

Welcome back to the new school term - it is lovely for school friends to see each other again and for new friendships to be made with the new joiners.

As you are aware, the Friends of Crymlyn Primary School try to organise at least one event each term. These provide much fun for the children, a chance for parents to be involved and the opportunity to raise some funds for the school. We are thrilled to see so many of you at our meetings so far this year.

Following the initial meetings of the Friends there are some great events coming up:

- A Halloween pumpkin carving competition – free to enter. The children can get creative with a chance of winning a prize – entries to be brought to school on the 25th/26th October please.

- Spooks & Sparkles film/party games night on Thursday 26th October (4.30pm-6.30pm) – there will also be prizes for the best fancy dress.

- A Christmas shopping trip to Bath is organised for the 2nd December – there are still a few spaces left……

- The Christmas Fayre is planned for 7th December – a chance to pick up some lovely gifts, yummy treats and meet Santa.

- Another charity night at the Panshee Indian restaurant and a quiz night are also in the pipeline – watch this space for details!

Keep an eye out for the leaflets that will be coming home with details of events closer to the time. Details will also hopefully be shared on Facebook etc. If you are not on our Facebook group, please get in touch with Laura Jones or Cath Jenkins to be added.

We will be holding Friends meetings throughout the term and we would be delighted if you are able to help in any way. If you wish to get involved please let the school know.

Many thanks in advance for your continued support.
