

Lyndon Green Junior School

So many activities outside of school this week. Scouts award, swimming, dancing, drumming and on and on.

Another manic week but so much to celebrate. I always enjoy looking at the photographs from all the different activities as well as talking to the children about what they have been doing. They are literally bursting with information. I have been spending time in classes this week and intend to do so in the coming weeks, so I look forward to seeing and hearing more.

Harvest

It was great to be able to celebrate our Harvest Festival today. We are all aware how tough it is these days and every little contribution can mean so much to others. So a huge thank you to everyone for their efforts in supporting the 'helping hands' charity.

Stranger Danger

After a number of safeguarding alerts we have been working with our children to remind them about stranger danger and we have used the following information to try and keep them safe:

- **Never go off on your own with a stranger, take things from them or get in a car with them.**
- **Make sure you tell your parents where you are.**

- **If someone scares you, or makes you feel uncomfortable go somewhere safe, your home, school or a police station**
- **Remember to tell someone what has happened straight away.**

We are combining personal safety with our work on e-safety to ensure our children are safe at all times.

Residential

We welcomed back our Year 6 on Monday after their week long trip. They had a fabulous time, coupled with the children that stayed behind, I can say what a super group they all are.

Year 5 next on Wednesday 5th November. We look forward to it.

Parents Evening

Our first meetings are coming round quickly and we look forward to welcoming you into school. Please fill in your forms asap, so that we can try and give you the appointments that you want.

Secondary School transfer

I know, he's at it again! However, it is so important to ensure that you return those online forms by October 31st. Otherwise, you will not have a say in where your child goes!
