

# Lyndon Green Junior School

Dear Parents

As we approach the final hours of this school term and we break up for our Christmas holidays, I just wanted to take time to wish you all a fabulous holiday. This time of year is traditionally a time when families come together to share in special moments, it is a time for living, a time for believing, a time for trusting with love and laughter and joy ever after.

From everyone of us, to everyone of you, we wish you all a very Happy Christmas and a very prosperous New Year and if we were making our New Years resolutions, then I would be wishing for:

1. Everyone parking properly
2. Everyone fit and healthy
3. Continued success for all at LGJs

Have a super break everyone.

Mr R (Can you work out the song lyrics in the newsletter?) See you on the 6th January 2015
