

Lyndon Green Junior School

an Extreme Reading Challenge, photographing your children reading in some weird and wonderful locations. We had so many entries, each receiving a small treat to say thank you. The runners up, chose a prize from a large selection. The winners (pictured here) all received a £25 book voucher. All prizes had been kindly donated by Waterstones.

Whisper it quietly, but the sun is out....Hopefully it will stay with us for a while and give everyone that extra boost that we all need. Saying that, our attendance is continuing to rise up to near our dream figure of 98%. School has been fabulous this week with so much going on, hopefully I will do it justice in this newsletter.

Assembly

Thank you to Class 5W for kicking off a very busy assembly this morning. We got a real glimpse of your Stargazing topic, with fabulous information. Well done and we look forward to watching class 5J next week.

World Book Day and the Extreme Reading Challenge

As we celebrate another World Book Day, we all understand and share the passion to encourage our children to read, through our amazing library and by sharing our love of reading. This year, we decided not to dress up, pure and simply because I feel we have asked so much recently, with other curriculum events and charity requests. However, we did ask everyone to take part in

Red Nose Day

Next Friday, 13th March, is Red Nose Day. From Monday we will have a limited number of Red Noses for sale. £1 each. On Friday, it will be a non uniform day and we just ask if you could bring some change, pennies or whatever you can to support this brilliant charity.

Residentials

As we await the return of Class 10M from Whitemoor Lakes, I just wanted to say thank you to everyone that attended the residentials this year. Without that extra commitment our children wouldn't be able to attend and gain some amazing memories. Thank you everyone

We are proud of everyone representing us. However, a special mention to our first and second placed runners. Brilliant!!
