

# Lyndon Green Junior School

This is the first chance to welcome you all back to school after the Easter break and even though we are only just finishing the second week, we find the children are really working hard and thoroughly enjoying their new topics. This weeks newsletter is full of celebrations and a few dates to look out for.

## Residential letters

You will have received residential letters for next year at the beginning of this week. The centres continue to be high quality and we have tried to keep the costs down as best we can, no transport costs have been added to the total. Please return asap to guarantee places, they fill up very quickly.

## Polling Day

You may have heard that we are having an election on May 7th!!! The Junior School is open that day, it is the Infant School that is used for polling and therefore they are closed to pupils. Our children should attend as normal even if siblings are off school.

## Poetry.

I received a brilliant email from Lyndon Secondary School this week declaring that 3 of our Year 6's will be having

their work published in a poetry anthology - 'The Poem 2015.' This is a brilliant achievement, we are all very proud of Holly Harris, Aisha Mumtaz and Alyssa Blunn, we look forward to seeing their work.

## Sporting News

Netball - Well done to both teams for all their efforts last week, the girls won 4 out of their 6 matches. Next game is Monday after school. Good Luck

Football - Another two fixtures this week and another two wins (4-0 and 1-0) This leaves the boys undefeated in the league and in second place having played a game less than the leaders
