

Welcome Year One to your home learning.

Dates: Monday 30th March- Friday 3rd April

Hello Year One! We hope you are all OK and that you're enjoying your learning at home! The weather has been lovely so we hope that you have been outside in your gardens enjoying it and having fun with your family. We are all missing you and we're sure you are missing all your friends but we will all see each other again soon! In the meantime, enjoy these activities. Keep having fun with your family and make sure you are listening carefully to them!!

Love from

Miss Trevor, Mrs Parker, Mrs Thornton, Miss Hoban and Mrs Simpson ©

This week we would like you to complete the following work.

Reading	<ul style="list-style-type: none">• We recommend that your child reads daily to an adult. You can use their reading book or any books you have at home.• In addition please complete the following reading comprehension activities. You do not need to record your answers (unless you want to) but please talk through each question and answer.• Bats reading comprehension• Phonics games- you can currently sign up free on this website to access lots of fun phonics games. In phonics at school, we were practising the sounds in Phase 5 and reading words (real words and made up 'alien words') containing these sounds.
Spelling	<p>Spelling is a really important part of the curriculum and practice makes perfect! Please practise the following spellings daily;</p> <ul style="list-style-type: none">• same, like, have, so, be, this• Use these words in sentences e.g. I <u>have</u> a green coat. How many different sentences can you write during the week?• Look in your books and see if you can spot any words containing the sounds -ch and -tch. <p>CHALLENGE: Can you find 10?</p>
Maths	<p>Counting practice should be done daily. Practice counting forwards and backwards from any number and practice counting in 2's, 5's and 10's.</p> <ul style="list-style-type: none">• Counting in 5's song <p>Keep your maths brain busy by having a go at the following challenges:</p>

	<ul style="list-style-type: none"> • Cupboard maths Choose two tins or packets from your food cupboard, ask your child to hold one in each hand and tell you which is heavier, and which is lighter. If they are right, they keep the lighter one. Then choose another item from the cupboard, trying to find one that is lighter still. Carry on until your child has found the lightest item in the cupboard. It might be suitable to eat as a prize! • Counting in 5's activity cards
PE	<p>Physical exercise is really important. Have a go at the following each day. Can you get better the more you practice?</p> <ul style="list-style-type: none"> • Have a go at this Body Coach workout • Listen to your favourite song. Can you dance along to it without stopping? Can you dance without a break to more than one song?!
Computing	<p>Write an algorithm (a clear set of instructions) of how to brush your teeth.</p>
Topic	<p>As you know, at school we were learning about Kenya. Here are some activities you can do this week based around the topic.</p> <ul style="list-style-type: none"> • Find out which fruits come from Kenya and write a list. • Do an observational drawing of a piece of fruit- look at the shape, colours and details. CHALLENGE: with an adult, cut a piece of fruit in half and draw the inside. • Taste different fruits that you have at home. Can you describe what they taste like using adjectives? If you could make a fruit salad, which fruits would you put in it and why?
Activity	<p>Go on a scavenger hunt around your house and garden. Can you find an object for every letter of the alphabet? E.g. A - apple, B - ball etc.</p>

All parents can access remote learning via Twinkl. You will need to set up a free account by following the link below.

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS
