Newsletter 18

18 May 2015

PRAISE AWARDED TO:

- Acorn:** **Alfie G** for writing a 'Once upon a time' story; **Millie** for learning to count on when adding; **Rohan** for learning to recognise numbers to 20, **Amber** for counting backwards to find the answer when taking away, **Daisy** for learning to write on the line and **Gracie** for learning to count backwards from 20 to 0.
- Class 1:** **Ewan** for super fractions work, using his knowledge of the two and four times tables to work out how many quarters and halves were in a given number of wholes and **Lewis** for his excellent, expressive speaking skills when giving Acorn children a tour of our Sensory Garden and **Megan, Ethan, Harry Morris, Tess, Ted and Liberty** for super weighing skills.
- Class 2:** **Jack** for super persevering when working on fractions; **Mollie D** for listening to advice and trying really hard to incorporate this into her writing; **Dylan, Megan and Harry** for trying so hard on their maths booklets and **Bryony** for an excellent character description.
- Class 3:** **Anisha** for fantastic work in the allotment; **Sophie and Jack** for super group work in art; **Harriet** for being an amazing role model; **Connor** for creating a super homework booklet about volcanoes; **Erin, Eleanor and Natasha** for super poetry and calligram work and **Alfie** for amazing numeracy work subtracting 3 digit numbers.
- Class 4:** **Ander** for his brilliant tennis skills; **Ethan** for his great attitude to learning and effort in all areas; **Maria** for her hard work in all areas, especially writing; **Miles** for his fantastic attitude to learning in all areas and **Jake** for the effort he has put into all areas while settling into his new class.
- Class 5:** **Joseph and Morgan** for their very detailed writing which included lots of the skills which have been covered in class; **Charlotte B** for writing an amazing newspaper report about our exciting discovery using all the correct features and **Olivia** for the confidence she has shown in her maths work.
- Class 6:** **Ethan** for fantastic literacy homework and for his enthusiasm working with his partner in maths; **Ryan** for working so hard and with such enthusiasm in maths with his partner; **Finley G** for being consistently focused and determined in his work in maths and **the whole class** for their hard work and dedication over the last few weeks, and for their focus and resilience during SATs week.

Fri 12th June	Sports Day, 1.00pm
Sat 13th June	St Catherine's Church Fete, Montacute, 1.00pm

Dear Parents and Carers

Firstly, my congratulations to our **Year 6 pupils** following completion of their **SATs exams** last week. My 'hat goes off to them' for their efforts and for the dedication they've shown towards giving their best. Thanks goes to you too as parents for the support you gave to them last week and in the lead up to their tests. We expect the results, as always, at the beginning of July.

Thank you to everybody who supported the **Somerset Schools' Appeal for Nepal** following the devastation caused by the recent earthquake. We raised £300.60.

Class 2 used materials that they found in the Forest area to make Fairy and Elf houses. They enjoyed spending time designing and making the houses, this has also prompted some superb descriptive writing from the children. Miss Williams was very impressed with the way in which the children worked together as a group listening to each other's ideas in order to build some fantastic houses.

Class 1 have been creating a Sensory Garden in our Forest area, they have been considering the five senses: see, hear, smell, taste and feel. They have worked together to create an area that develops all of these senses. They are looking forward to showing this area to their parents after Parents' Praise Assembly on Friday.

Class 5 went up into the allotment area to check on their bulbs and made an amazing discovery! In the allotment bed, partially covered by mud and leaves they discovered a golden egg. They spent time researching what the egg could be and who it might belong to, they concluded their work by creating newspaper reports about the discovery.

With reference to school lunch menu's which have been returned. The third week on the list, week beginning 1st June was menu choice week 1. However, when collating the choices made we are wondering if anyone has chosen from menu choice week 3 in error, rather than week 1. If you have any queries please contact the school office.

Yours faithfully

P. Park

Mrs P.Park

Friends of All Saints

Don't forget to save your copper and silver coins for the upcoming Money Snake.

On Thursday 21st May the children will come into the school hall and lay their copper and silver coins on the floor, and see if they can beat last year's record for the longest money snake.

The next **Friends meeting** will take place on **Tuesday 2nd June at 7.00pm** in the staffroom. Please do come along, as this term is the busiest for the Friends with the preparations for the carnival and the Summer BBQ.

So far this year, thanks to all your help with fundraising we have managed to purchase the following items for the children at All Saints - Lego, robotic lego, new picnic benches, cameras & story sacks. We have also used some money to do some much needed repairs to the trim trail.

Community News
