### Dear Parents and Carers

You should have received a class newsletter from each teacher which outlines what the children will be studying this half term. We hope you find these useful in order that you can support your child at home.

**Rising Stars** will continue this year; each week the children will be working towards the same expectations across the whole school at all times. However as explained in the previous newsletter we have simplified the criteria for Rising Stars.

We ask that the children are:

- Ready;
- Respectful;
- Safe.

We have spent the first two weeks of the school term explaining and modelling the expectations of being Ready, Respectful and Safe to the children. If your child meets these expectations throughout the week with everyone with whom they have worked, they earn a rising star. If they achieve 10 stars they are awarded a bronze badge; 20 stars a silver badge and 30 stars a gold badge. The badges will be worn on their school uniform.

We have high expectations at All Saints and these are reflected in the way the children take pride in their appearance, the presentation of their work as well as how they behave towards each other and the adults working within the school.

### Upcoming Events

**Weds 23<sup>rd</sup> Sept** – David Williams, Diocesan Advisor visiting the school

**Thurs 24<sup>th</sup> Sept** – ESFA Football Tournament at Mudford Recreation Ground

**Fri 25<sup>th</sup> Sept** – European Languages Day

**Tues 29<sup>th</sup> Sept** – Harvest Church Service for Classes 1 to 6 at St Catherine's Church, Montacute, 2.15pm

Cross Country Event 1 at Ivel Barbarian Rugby Club

**Weds 30<sup>th</sup> Sept** – New Curriculum Meeting for Class 1 to Class 6 Parents in the School Hall

Not being awarded a Rising Star is not a sanction in itself. Please support your child to understand that Rising Stars is an award for always demonstrating Ready, Respectful, Safe; there will inevitably be times when a Rising Star will not be awarded and this will provide valuable opportunities for discussion and learning to take place.

### **Homework Diaries**

Each child in Class 1 to Class 6 has been given a homework diary which they use to record what homework is to be completed and when it needs to be handed in. This will also be used to record reading that the children have completed in school or at home. Please can we ask that you record any reading during the holidays on a separate piece of paper and place inside the homework diary.

### **Homework Books**

Your child has been given a homework book where they will need to complete homework tasks. The expectation is that in the front of the book the children will complete class homework which has been set in line with our homework policy. In the back of the book the class teacher may add work which would support the work your child has been completing in class. This book will also serve as the communication book between home and school as necessary.

### **European Languages Day**

On Friday 25<sup>th</sup> September, the children will be taking part in a European Languages Day, Mrs Bridge our Modern Foreign Languages (MFL) Subject Leader has been working with parents and grandparents of children at our school, along with members of the community in order to plan various activities to celebrate the day. Please ask your child about the day and look out for information on the class blogs regarding the activities they will have undertaken.

### **After School Clubs**

Please could parents/carers collect from Class 6 for the **Year 5/6 Football Club** rather than Class 4 as originally stated.

As an Eco-Friendly school, we are always looking for ways to reduce the paper that is created. Therefore **Acorn Parents and Carers**, if you provided an email address on your data sheet, school correspondence will automatically be sent via email. If you would prefer to receive a paper copy, please notify the office. If any other families would like to help us, please inform the office as soon as possible with an up to date email address. Many thanks for your help in this matter.

Please do come along and join our **Harvest Celebration - Tuesday 29<sup>th</sup> September 2.15pm at St Catherine's Church, Montacute** Acorn Class will not be involved because it is their first week in school full time.

We are going to support Lord's Larder once again this year. If you do not know about this charity, it is the food bank located in our local area and is based in Yeovil. These emergency food parcels go to local families or individuals who, for one reason or another find themselves in need. **We would ask for donations of tinned or dried foodstuffs please to be brought in on Monday 28<sup>th</sup> September or the morning of Tuesday 29<sup>th</sup> September . These should be taken to your child's classroom. Please do not send in perishable goods**, as unfortunately these can't be accepted by the Lord's Larder.

**P. Park**

### **Extra-Curricular Activities**

Good Luck to those children who will be taking part in the **English Schools' Football Association (ESFA) Tournament** on Thursday afternoon at Mudford Recreation Ground. They will play in a group against Huish, St Michaels and Milford throughout the afternoon.

**A group of children from Key Stage 2** will be taking part in the first Cross Country event **at Ivel Barbarians, after school on Tuesday 29th September**. Good luck to everybody who is taking part.
