Dear Parents and Carers

It has been a very busy start to the school year with the children taking part in lots of different activities.

On Friday 25th September, the children took part in a **European Day of Languages**. Mrs Bridge our Modern Foreign Languages (MFL) Subject Leader organised the day which included studying artists from across Europe, learning Spanish, Dutch and French which included singing songs and clapping games. We would like to thank Mrs Howell and Mrs Inkelaar for giving up their time to work with the children throughout the day. The children had a thoroughly enjoyable day.

Operation Christmas Child, the Shoebox Appeal, we will be supporting this excellent charity again this year. It is an appeal that the children usually greatly enjoy; leaflets explaining the appeal and the date when shoeboxes need to be returned to school will follow.

Governors of All Saints

Hello All,

Welcome to the new Acorn Parents from All Saints Governing Body.

It's been a while since our last newsletter slot so I will give a catch up on the most recent Governing Body activities.

At the FBG meeting in July it was decided that we should take a more detailed look at the School Development Plan (SDP) at the beginning of this academic year. The SDP is an important document for both the Staff and Governors as it provides a core document to set goals and actions to complete these goals along with success criteria when the goals have been achieved. Each of the SDP sections is allocated to one of the Full Governing Body (FGB) committees for review of actions and successes at each meeting.

To make sure we have a clear understanding of the new SDP contents for this year at the FGB AGM in September we spent most of the meeting reviewing the complete document to ensure we understood the school priorities and actions to achieve these priorities. This will help us to focus our FGB actions on challenging the progress against each priority to make sure we are moving in the best direction.

The SDP will be available in the near future for you all to read on the school website, take some time to have a look and see what it contains for this year.

Mrs Park has been busy during the holidays making sure a number of improvements at the school have gone smoothly new boilers, new flooring, storage and lighting to name but a few, these are improvements to keep the school fresh and updated for the future. It is important we do these things but clearly there is a financial impact on the school and in turn the Governors of the school, the Governors are liable for 10% of all capital investments so it is essential that we also keep a focus on our fundraising activities.

The Smartiethon is still going well we are now up to £571, so making progress to our £2000 total, please keep this money trickling in, the school council has had some great ideas for what to spend it on so let's get to the total and see what we can do. If you haven't had one and would like a Smartie tube to take home let Mrs Cobner in the office know.

The Village bonfire is getting closer and posters will be up soon, this is one of our biggest events so please support this on the 7th Nov. If you are able to volunteer to help on the night that would also be a great help, please let Mrs Cobner know by email (Cmcobner@educ.somerset.gov.uk) or phone school so we can make contact and allocate you a job.

Thank you.
