Before/After School Care

Skools OuT is an independent facility run by Mrs Sara Bradbury providing out of school care for Far Forest School:

Breakfast Club – 8.00 - 8.45 every morning
After School Club from 3.00 - 6.15 every night

Children can attend on either a pre-booked session, which is normally on a permanent long standing booking or simply book on the day. An hourly rate of £3.90 applies to after school only. Breakfast Club is £4.00 per hour.

Children are offered a snack e.g. toast, crumpets and bagels with various toppings, crackers, cheese and fruit. Hot chocolate, squash and water are always available.

Skools Out aims to be as much fun as possible. It is run in the mobile classroom situated on the school playground with many activities taking place including:

Painting and drawing tables
Construction blocks and Lego
Television
Den making items
Quiet Corner for books and homework

There is a fantastic outside space and this facility is used as much as possible. There are team games, racket and ball games and during the summer there will be bikes to ride and tents to put up.

There are always two or three staff on duty with first aid and relevant qualifications.

Skools Out is Ofsted Registered. Child care fees can be claimed back through Child Tax Credits. We also take childcare vouchers.

If you would like to know more, please feel free to come and visit Skools Out any afternoon, or call Lou on the above number.
