

Dear pupils, parents and families,

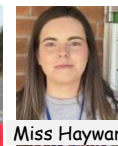

We have had an excellent first half term. It has been wonderful getting to know all the pupils and see the brilliant work they have produced!

## What will be learning about?

In English we will be writing a 'Defeating the monster story' based on the story 'The Tibicena'. The focus will be around characterisation. After that, we will be looking at instruction writing for a science investigation.

In maths we will be looking at a range of number skills alongside problem solving, shape, data handling and measurement.

Our topic this year will aim to answer the question

'Is there life on Mars?' This is space based topic.
