As you will be aware from the last newsletter, to celebrate the achievements of your children you are invited to an open afternoon at the school on Tuesday afternoon, November 6th (Juniors) and Thursday afternoon November 8th (Foundation Phase). The purpose of these afternoons is for pupils to share and discuss their progress with their parents. A few notes to ensure the afternoons run as smooth as possible:-

- *Please park in parent car park and use side entrance of the gym*
- *Your children's Theme, Language and Mathematics books will be available for your children to collect and bring to the gym any time between 1.00pm and 5.00pm*
- *You can then take the books to one of several areas set up in the gym, in order for you and your child with to look through them (we're guessing approximately 30 minutes)*
- *You will be invited to complete a short form, asking you to comment on your child's work - guidance notes will be included on the form*
- *No teachers will be available during these sessions (Parents evenings start next week)*
- *To enable us to ensure that we can comfortably accommodate everyone, if you have not already completed the electronic form, can you please link on the correct link below (one for each child) to allow us to collect the information electronically.*
- *We ask that pupils return all books to their class at the end of the session*
- *Strictly no photos of books*
