Spittal School is a Christian community where we recognise the dignity and values of the individual. All members of this community are encouraged to develop their potential in terms of knowledge and understanding, which includes spiritual, moral and physical awareness.

Parent Forum Committee

Focusing on the needs of
all children.

Parent Forum Committee

What is it?

The Parent Forum Committee is a partnership between parents and the school. It is a valuable way to share ideas, views, concerns and make suggestions for improvement.

The aim of the Parent Forum Committee will be to:

- work together to improve the education provided for our children
- share information, knowledge and skills
- meet in a mutually supportive environment
- further improve communications between parent/carers and staff/governors

How often will the Parent Forum meet?

Initially the idea is to meet every half-term for about an hour.

Who can be part of the Parent Forum Committee?

- We aim for two elected parents from each year group to form the basis of this group.
- The forum will be chaired jointly by a parent governor and an elected parent forum member.
- At times, other members of the school community may also choose to attend meetings depending on the agenda items.

Why should I be part of the Parent Forum?

It gives you an opportunity to get together on a regular basis with other parents in order to share your views on where the school is doing well, and to suggest ideas of how things could be improved.

The Parent Forum should create opportunities to get advice and support to help your child/children with their learning.

What will be discussed at the meetings?

Anything related to improving the school and further developing the partnership between school and parents. The meetings will follow an agenda whilst still being an opportunity for an open discussion. Minutes of the meetings will be taken and these will be accessible on the school's website and in the foyer.

What will not be discussed at the meetings?

Concerns or complaints involving individual children, families or members of staff. These issues should be raised with the class teacher, Deputy Headteacher, Headteacher or Chair of Governors in a confidential manner using the schools complaints/concerns policy.

How can I raise an issue if I am not on the Parent Forum?

Ask your year representative to raise an issue or make a suggestion on your behalf or email the Parent Forum at:
