

End of school day – Thank you for your support with the trial of afternoon dismissal from the playground side of the school. Early feedback is that it affords more space than the front of the school but that everyone needs to ensure their own child does not run out through the school gates. Please help the school maintain the safety of the car park by using the pavements and not encouraging pupils to walk across the car park.

Times tables – This term pupils will be having weekly times tables homework. By the end of Year 4 all pupils must know all of the times tables 2 – 12 in and out of order.

Reception, Nursery – Counting in 2's and 10's.

Year 1 – 2's, 10's and 5's.

Year 2 – 2's, 10's, 5's, (moving to 3's and 4's)

Year 3 – 2,, 10, 5, 3, 4, 6, 7, 8,

Year 4 – ALL

Year 5 and 6 – Know all of the times tables 2 – 11.

Volunteers – If you have time to spare which you can offer to school to support particular activities or general support, or have specific skills which you are willing to share, please leave a message with Mrs France at the school office, including the days and times, and whether it can be regular or time limited.

Drinks - Please make sure that pupils bring water to school NOT squash. We are a healthy school and hope that you will support us with our water only in bottles and that the lunch boxes are healthy.

Headlice – We have headlice in school! It is only with the support of every family that we can keep on top of this pest. Please can everyone check their child's head and treat if necessary.

Pupils of the week

| Pupils of the Week | |
