

Maths and Numeracy. *Maths.*

Problem solving and investigating sequences and patterns
Measuring in centimetres and meters
Number bonds to 10
Odd and even numbers
Place value
Using a 100 square
Multiples of 2 and 10

Humanities. *History and Geography.*

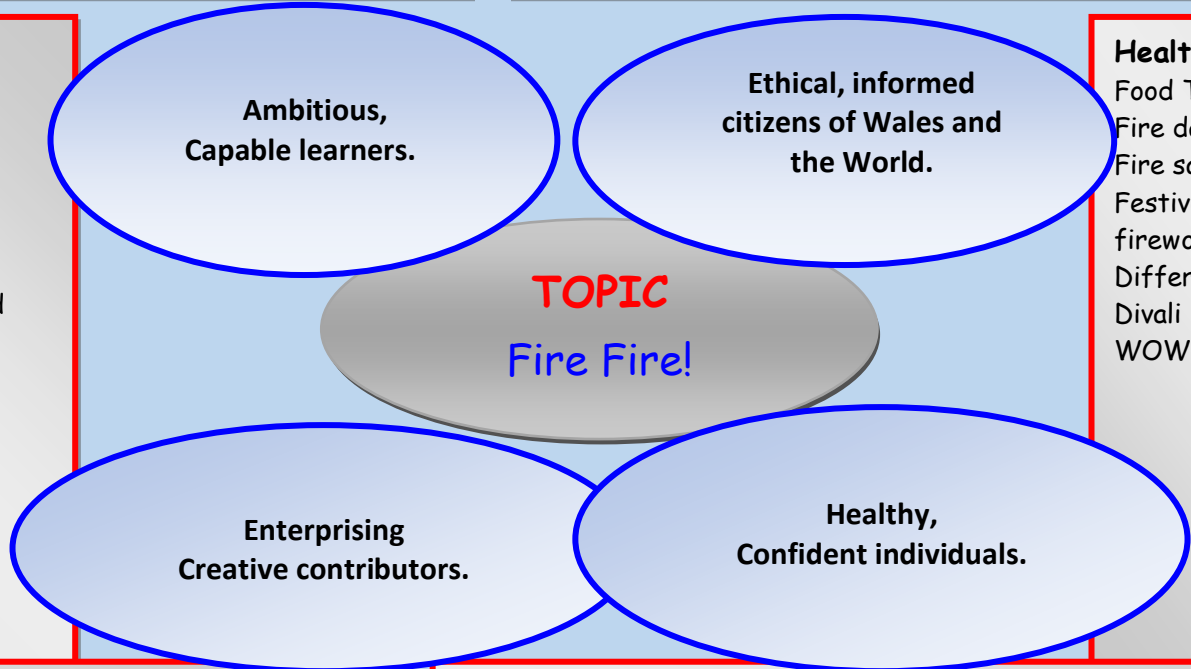

The origins of fire/fire making
Facts about the sun
The fire of London
Guy Fawkes
Comparing houses and streets now/then

Expressive Arts. *Art, Drama and Music.*

Tiger masks
Fire and ice collages 'Yellow Islands'
Jack Pollack
Blow paint pictures of the sun
2D Tudor houses
Tudor rhymes 'Londons Burning' 'Oranges and lemons'.
'Mondrian' create cold and warm pictures.
Fire dance
Flames movement
Drama - parts of the events of the fire of London.
Creating fire words to respond to music.

Health and Wellbeing.

Food Technology, P.S.E. and P.E.
Fire dance
Fire safety/Firework code
Festivals around the world using fireworks
Different religions/celebrations - Divali
WOW Day - Trip to the fire station

Language, Literacy and Communication. *English and Welsh.*

Wallaby goes wandering
Role play in the Fire Station
Diary entries for the Fire of London
Writing newspaper reports for Guy Fawkes
Sequence the story of Guy Fawkes
Book reviews
Writing their own firework code
Make Firework safety leaflets

Science and Technology. *Science, D.T. and I.C.T.*

Tudor house models
Changing materials
Materials and their properties
Investigate the properties of different materials: what happens to different materials when they are heated and cooled - chocolate/bread.
Use brush and pen tools
'Yellow islands' - Jack Pollack and make your own firework pictures - use 'save as'
Use I pads to investigate facts about the Great Fire.
Record a news report of the Great Fire on I pads
