**Governor's Annual Report To Parents  
Summary  
2020-2021**

Dear Parents,

On behalf of the Governing Body of Llanfaes C P School I am delighted to present you with this report on the activities, developments and progress of our school during 2020/21. The full report is available to all parents from the school. It is also available on the school website. The repercussions of Covid 19 have continued to affect our school over the last academic year. The positive, child centred, solution focussed attitude was maintained throughout. High quality blended learning provision and remarkable parental support ensured that our children were supported both academically and personally. The professionalism and dedication of staff during these periods has been exemplary and a credit to all staff. Of course, alongside this, families had to adjust to learning at home with their children which in itself presented challenges we know! The school has needed to operate on a flexible basis at times with organisational matters having to be quickly adjusted to in order that Welsh Government directives could be followed. Governors would like to thank staff for the dedication, flexibility, creativeness and care shown during these difficult times. I hope that our Friends of Llanfaes can once again fully support the school in the coming year as this too has been curtailed due to Covid. Obviously the Annual Report to Parents is again greatly affected by the disruptions faced during the last academic year eg data on achievement levels.

My role as Chair of Governors is facilitated by the dedication and commitment of the whole governing body who carry out a great deal of work behind the scenes, vital to the smooth running of the school. This has been sustained during the period of lockdown eg with completing risk assessments of practice linked to the school being Covid secure, well being meetings with staff etc. My position is eased through their efforts, and I offer my genuine thanks to each of them.

I wish to also publicly thank Mrs Lawrence, our Headteacher, for leading our whole staff through the many trials and tribulations of the COVID 19 pandemic. Without her solution focused approach, understanding and professionalism I know my job would have been much harder. It has been a very testing time for all staff and with their usual determination, skills and devotion they have provided high quality in learning for all our children. Diolch yn fawr iawn.

Most sincerely, I thank you, our parents. Your co-operation throughout this year has been critical. We do not know what the coming year will bring, but knowing you continue to be so supportive is very important.

Llanfaes C P School will continue to move forward, building on its' successes. Despite restrictions staff are continuing to give pupils a multitude of opportunities to fulfil their individual potential and develop positive learning and life skills - making for them 'A Bridge to Learning'. No-one at Llanfaes is ever complacent and by continuing to work together - pupils, staff, parents and Governors - Llanfaes will continue to flourish. Covid has not diminished the fact Llanfaes School remains a centre of excellence in all that we do!

## Friends of Llanfaes

Due to Covid restrictions it was not possible to hold any events to raise funds. However, the Friends continued to use previously raised monies to support the pupils including monies for the end of year activities for Year 6. This was a great help and effectively aided the pupils well being and end of their time in our school. It is hoped that Friends of Llanfaes can reboot this year. Governors would like to thank the small band for all they always do for our school.
