

Dear colleague,

There are two INSET days that need to be allocated. One is in place of the inset day originally planned for Tuesday 1 September 2020 and the other is planning for the new curriculum.

Following discussions with schools and unions, there will be an INSET day prior to February half-term and another following Whitsun half-term, please see the dates below:

- **Friday 12 February 2021**
- **Monday 7 June 2021**

The dates will be updated on the Powys County Council website <https://en.powys.gov.uk/article/1166/School-Term-Dates>.

Please can you ensure that these dates are shared with parents and carers for information.

Cofion gorau / Kind regards

Lynette Lovell
