Light Night

Thank you to Mrs Harris, Mrs Phillips and Mrs Pritchard who prepared some beautiful items to sell on behalf of the school on Light Night.

£118 was raised - this will be used to buy new playground equipment – the school council will be surveying pupil opinion and making choices based on pupil preferences.

Hour of Code

Pupils throughout the school worked with our pupil Digital Leaders to take part in international Hour of Code.

Hour of Code is a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science.

If your child enjoyed these activities there are lots of free activities (suitable for children and adults) available at www.code.org

PATCH

As part of their advent celebrations Class 2 collected food and gifts for PATCH. We'd like to thank families for their incredibly generous donations. Several car loads of food and gifts were delivered to PATCH.

Pupils from Classes 4 and 5 went carol singing at St Theresa's Convent and Fishguard Library. Feedback from both venues was very positive with audiences enjoying the singing.
