

Acceptable Use document for use of Hwb+ for Foundation Phase students

Hwb+ is a cool school tool!

- Be polite - don't upset or bully anyone.
- If you feel upset or bullied, tell a teacher right away.
- Be safe - don't tell anyone where you live or what your phone number is.
- Be security smart - keep your username and password safe.
- Only send and open emails if told to by your teacher. If you are unsure, always check with your teacher first.
- I understand that all of my work can be seen by my teacher.
- I understand that if necessary my teacher will access my email account

I understand that I must follow these rules or I might be in trouble.

I agree with what I have read above and/or what my teachers have told me about using Hwb+ properly.
