

LLC

1. Watch this [video](#) and then use your imagination to write a conversation between the animals on the trampoline.
2. Play this [game](#) to work on your conjunctions/connectives.
3. See [website](#) for:
KS1 VE day reading comprehension
KS2 VE day reading comprehension

Maths and Numeracy

- BEWARE: This task might be a little smelly.
1. Draw out or make a table on word (see my video on [school website](#) to help)
 2. Get all your family members to draw round their feet onto a piece of paper.
 3. Use a ruler to measure each family member's both feet and record on your table.

Humanities

Watch the PowerPoint on bears (see [school website](#)), and then create your own fact sheet on what you have just learned. You can create this electronically on Jit 5, Sway or on paper.
**Can you include pictures, drawings and bullet points?

RE

Watch the Flipgrid video on Jonah and the Big Fish. Answer the questions in your video response, also in Flipgrid. I will share the Flipgrid code on Class 3 dojo page.

Dosbarth Tri

Animal Kingdom

WB 04/05/20

Resources for each task are on the [school website](#).
School website>remote learning>dosbarth tri. Scroll down to find Week Beginning 4th May 2020. 😊

Health and Wellbeing

Make up a quiz full of questions for your family to try. You could have different themes for different rounds. E.g.

Round 1- Animals
Round 2- Films
Round 3- Space (you should already know lots about this one)

Welsh

Create a script in Welsh between you and a family member in your house using questions and responses we have been practising. There is a list of these questions on the [school website](#).

Once you're finished you can create a Flipgrid of yourself reading your script in Welsh to show Class 3. I will post the Flipgrid code onto dojo.

Science and Technology

1. Last week you created a Bug Hotel in your garden. This week you can you create a Flipgrid to show the class your bug hotel. I will share this Flipgrid code on our class dojo page.
2. Animals can be put in danger by humans for a variety of reasons such as loss of habitat, pesticides, road traffic and litter. Everyday objects that seem perfectly safe, can sadly become hazardous when found accidentally by animals. Play this [game](#) to find the objects that are hazards to animals.

Expressive Arts

Use scrap bits of old magazines to make a collage of your favourite animal.

1. Draw the animal outline using a pencil. Use the internet and pictures to help.
2. Rip up and stick different colours of magazine paper onto your drawing using PVA or normal glue.
