

# Flying to the Moon Song

(Sing to the tune of 'Twinkle, Twinkle, Little Star'.)

First, I found a box rocket,  
Some space boots and a helmet.  
Packed some food and my teddy,  
Then I zoomed up the chimney!

First, I found a box rocket,  
Some space boots and a helmet.

I am flying to the moon,  
Hope I get there very soon!

I am flying very high,  
In the dark and starry sky.

I am flying to the moon,  
Hope I get there very soon!

Met an owl along the way,  
He wanted to come and play.  
Up and up and up we flew,  
Through the clouds and the stars too.

Met an owl along the way,  
He wanted to come and play.

Our moon picnic was such fun,  
Food and drink for everyone.

I'd better go very soon.

We had fun up on the moon.

Our moon picnic was such fun,  
Food and drink for everyone.

Rain came falling from the sky,  
Owl flew off and said goodbye.

Down the chimney, I did zoom,

Landed in the living room.

Rain came falling from the sky,  
Owl flew off and said goodbye.

Had a bath, then time for bed,

"What-ev-er next!" Mummy said.

I had fun up on the moon,

Hopefully I'll go back soon!

"What-ev-er next!" Mummy said.
