

# Journey to the Moon Song

(Sing to the tune of 'Here We Go Round the Mulberry Bush'.)

I want to fly up to the moon,  
To the moon, to the moon.  
I want to fly up to the moon,  
So first I need a rocket!

Then I put on my space helmet,  
Space helmet, space helmet.  
Then I put on my space helmet,  
I'm nearly ready to fly now!

Then I can put my space boots on,  
Space boots on, space boots on.  
Then I can put my space boots on,  
I'm nearly ready to fly now!

Then I can pack some food and drink,  
Food and drink, food and drink.  
Then I can pack some food and drink,  
I must not for-get my teddy!

I want to fly up to the moon,  
To the moon, to the moon.  
I want to fly up to the moon,  
I'm ready for my long journey!
