

Advice for Piper

Think and talk about these questions.

1. What have you been frightened of?
2. Have you ever overcome one of your fears?
3. How would you help someone else to overcome their own fears?

Think about and answer the following:

Piper is terrified of the waves at the beginning of the story.
How would you encourage and help her to return and try again?

I would encourage and help Piper get over her fears by...
