1. You can choose ANY animal to research and then write a diary entry as that animal. Try and write at least half a page and make it as long as you can. You can complete digital diary or a diary written out with animal paw prints or leaves attached.
2. Pet Care of a Cat Comprehension- choose your difficulty.

Maths and Numeracy

1. Answer the addition and subtraction reasoning questions for your year group.
3. Minibeasts love eating human food! Below is a list of some of their favourite treats!
First, estimate how heavy each item of food is in grams.

Next, use weighing scales to weigh and record the weights for these foods:
1 apple
2 bananas
1 tin of beans
A loaf of bread.

Now choose some items of your own and do the same. How accurate are your estimates?

Humanities

1. Read about endangered animals on this website
http://news.bbc.co.uk/cbbcnews/hi/find_out/guides/animals/endangered_animals_world/newsid_1614000/1614414.stm
2. On the sheet, you need to research to find out:
 - Habitat/country
 - Reasons for being endangered
 - Ways to help
3. You can make a sway that has:
 - Facts about the animal/s
 - Why they need saving – their place in nature/where they fit in the food chain/usefulness

RE

1. Read through the power point on the 10 Commandments.
2. Watch the clip of how to make paper look old.
3. You need an adult to help you as you make your own old paper. You can then add the 10 Commandments to create an old scroll.
