

### LLC

1. After you complete the science and technology task. Write a letter to the mayor of Fishguard to persuade them that it would be a good idea to bring your theme park to Fishguard. Letter template available on school website.
2. After you complete the science and technology task. Create an advert for your theme park.

### Maths and Numeracy

1. Keep a tally of how many of these British birds you can see in your garden this week.
2. Make a list of all the maths you can see in real life this week. E.g. dividing (sharing out sweets), counting jumps when skipping, measuring out flour for a cake etc. See if you can think of at least 10.
3. Investigations- Year 3 (Pete's Pond Problem), Year 2 (Order, Order)

### Humanities

1. Use and fill in the checklist to see if you can spot any of the birds in your garden.
  2. Write a simple report on each bird that you did see in your garden. Get creative- draw out your own report where you can add fancy writing, printed pictures or drawings, make flaps or add actual leaves twigs etc. Have a look at the example.
- Think about these sections for research:
- Where does the bird live?
  - What do they eat?
  - What do they look like?
  - Fun facts

### RE

1. Read the bible passage. Complete the mind map answering the question.
2. Design a digital poster on J2E or on google document all about God's love. You can include:
  - pictures
  - passages from the bible
  - symbols
  - colour
  - different fonts

### Dosbarth Tri

# Animal Kingdom

WB 8/06/20

Resources for each task are on the school website and in our google classroom (GC) 😊

### Health and Wellbeing

Read through my story starter about the beautiful, blue fish.

After answer the questions. You can write on the google document.

Lastly, just think and talk about the final questions.

### Welsh

Follow the link to play the Kahoot-I will send this across on Dojo. Can you remember the Misoedd y Flwyddyn (Months of the Year) from your Welsh work last week?

### Science and Technology

1. Think about your favourite animal or an animal you would like to design a theme park around.
2. Plan out your theme park using the planning sheet provided. Your theme park can be as big or small as you choose and use your imagination to decide on some super cool rides.
3. Draw out a bird's eye view plan of your theme park with labels. What materials will you use for roller coasters or zip lines etc? You will have to do some research. Think about safety etc?

Have a look at my examples and have fun planning!

### Expressive Arts

Are you a photographer in the making? Use your ipad, digital camera or any device that will allow you to take pictures. Remember to ASK A PARENT FIRST!

Spend some time in the garden thinking about your perfect shot. It could be of a bird, butterfly, snail etc. Try and keep your animals wild- cats and dogs do not count as wildlife. BE SAFE- please be sensible and safe when taking the photos.

Have a look at other children's wild photography pictures attached.

Share your favourite photo with me.

Extra task: Make a top tips video on how to photograph wildlife in your garden.
