

# Tell Me about a Place of Worship

Choose a place of worship (this could be a local place of worship or a famous place of worship you have researched).

Use books to research a place or ask an adult in your family to tell you about a place of worship they have been inside.

Where is it?

Which religion is connected with this place of worship?

When was it built?

What special things do you do inside?  
(e.g. Do you need to take off your shoes?)

Any other information you would like to add:

What's inside?

What is the name of the place of worship?
