Expressive Arts

After you learn about animal classification in the science task, create a poster for each of the classifications. Include pictures and facts so that someone who doesn't know what they are will soon learn after looking at your posters. Listen to the song for a quick recap- ask parent before going onto youtube. There is an example poster for you to have a look at too.

Make a poster for:

- Mammals
- Birds
- Fish
- Amphibians
- Reptiles
