

# Daily Challenge

Choose some of these fun fine motor skills activities:

- Transfer water to ice cube trays.
- Create a pouring station.
- Insert pipe cleaners into a collander or holes in a box.
- Press items onto sticky paper.
- Place buttons on drawn lines.
- Transfer blocks/buttons to a muffin baking tray.
- Use a hole punch with paper.
- Colour on sandpaper.
- Press pasta in playdough.
- Wrap rubber bands around cans.
- String buttons on pipe cleaners.
- Wrap toys in paper.

Have lots of fun, Class One.

I would love to see the activities that you have completed on J2E or Dojo.
