YSGOL GYNRADD LLANFAIR-YM-MUALLT BUILTH WELLS PRIMARY SCHOOL

Adroddiad Blynyddol y Llywodraethwyr Governors' Annual Report Crynodeb / Summary 2018-19

The Governing Body will not be presenting the report at a meeting with parents. This summary report is also available on the school website, www.builth.powys.sch.uk. Copies of the full report are available on request from the office.

School Aims and Objectives

We are proud of our school community and we are pleased to extend a warm welcome to pupils and their families. Successful schools depend upon successful partnerships between school and home and we believe this is encapsulated in our mission statement:

Together we learn, together we achieve Cyd-ddysgwn, Cydlwyddwn

We are committed to ensuring the wellbeing of all the children in our care and that the education we provide is of the highest possible quality.

As we are located in the very heart of Wales, we aim to ensure that every pupil has an appreciation of the cultural heritage of our country. As a dual-stream school, it is our intention that all children have a positive experience of both Welsh and English and that language skills develop well in both streams.

Through the provision of a rich and varied curriculum, our aim is to support our children and young people to be equipped to succeed and flourish in a rapidly changing world. In line with Welsh Government's 'Four Core Purposes', we intend for them to become:

- ambitious, capable learners, ready to learn throughout their lives
- enterprising, creative contributors, ready to play a full part in life and work
- ethical, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

Through our approach, we intend to provide our pupils with the firm foundations needed to succeed and flourish as individuals and to be able to make a positive contribution to the community in which they live.

Staff Governor

Mrs. Anne Williams September 2021

Mr. Gwynfor Evans, a much valued and respected governor and friend of the school, sadly passed away this year. His family gave a donation from the collection at his funeral to purchase a storytelling chair and reading books for Cylch yn yr Ysgol.

Builth Wells Primary School has a maximum of fourteen governors. Three are appointed by the County Council and one by the Town Council. Four parent governors are elected by ballot and one teacher and one other staff governor are elected by the school staff. In addition we co-opt three members from the local community. All governors serve for four years, then they must be reappointed or re-elected. The next opportunity for an election for a parent governor will be in September 2021.

The Headteacher is also a governor and the Deputy Headteacher also attends meetings as an observer. Parents have access to minutes of governors meetings and all school policy documents.

2018-19 Attendance Information / Gwybodaeth Presenoldeb 2018-19

Our average attendance for the 2018-19 year was 94.9%. The percentage of authorised absences was 3.98%; unauthorised absences was 1.09%. The target for the year was 95.6%. We adhere to ERW policy on attendance and act accordingly to encourage good attendance and punctuality.

Curriculum / Cwricwlwm

Teachers in all classes follow ERW Schemes of Work to deliver Language and Mathematics. These are taught as discrete subjects in whole class lessons or focused group tasks. We teach all other subjects / areas of learning through a series of linked subjects under a broader topic theme. Pupils have timetabled P.E. sessions each week and all classes have swimming lessons for one term each year.

It is sometimes necessary to adapt the curriculum and/or timetable for pupils with additional needs. This may take the form of a simplified timetable or programme of work.

Attitudes to Learning and Learning Habits

We have been working towards the implementation of the new curriculum which comes into force in 2022. As well as reviewing the nature of the topics we study, we have been focusing on improving the consistency between classes and between streams in the ways in which we teach reading so that pupils develop greater independence and develop their higher order reading skills. We have also continued to develop the use of 'Pupil Voice' so that pupils have more of a say in what or how they learn. This is resulting in the children having increased ownership of their work and increased levels of motivation. Developing pupils' ability to work independently and collaboratively has also been a key feature of our improvements this year and will continue to be very important as we begin preparing for the new curriculum for Wales, due in 2022.

We have also made a concerted effort to increase pupils' enjoyment of learning through the provision of visiting theatre groups performing 'Tales from Wales' and 'The Secret Garden'; KS2 classes visited the Hay Literary Festival and we had lots of local visits and visitors to school.

Literacy Skills

A strong focus on reading skills, including the implementation of 'Team Reading' (Reciprocal Reading) in KS2 has had a positive impact on reading enthusiasm and engagement as observed during internal monitoring and also on standards according to WNT results.

Reading booklets for parents have been produced to encourage and support more reading at home, and these were promoted during a well-attended Reading Evening in May. An online reading resource – Oxford Reading Buddy - was also introduced at the same time and these will hopefully impact on standards moving forward.

Cymraeg

We have had a whole school focus on raising pupils' awareness about the culture and heritage of Wales, with a strong focus on Welsh music. Our pupils were able to experience performances by a range of artists – The Welsh Whisperer, Bronwen Lewis and Candelas – and we also held a Welsh language disco. For the first time this year the Welsh stream pupils performed their Christmas play entirely through the medium of Welsh. We were delighted to be the first dual-streamed school in Powys to achieve the Siarter laith Silver Award in July.

Mathematics and Numeracy

Many pupils made a good level of progress in Mathematics and most pupils attained the expected outcome / level at the end of the Foundation Phase and Key Stage 2. Around half of pupils in Years 2 and 6 attained the higher outcome 6 or Level 5.

Digital Learning

Our Digital Leaders helped lead a project on developing the use of the 'Green Screen' app throughout the school. All pupils had opportunities to use the app to enhance their oral work and we are introducing other apps in a similar manner over the next 12 months so that mobile technology becomes integral to learning.

Monitoring Standards

The senior leadership team work to a planned timetable of monitoring to try to ensure we are achieving our school improvement aims and our pupils are making the best possible progress. The Governing Body is actively involved in the process and play a full and active role in monitoring activities.

A shared understanding of assessment and moderation is very important to the development of all pupils in order to raise standards. We have used INSET days and twilight sessions to work on joint moderation of all core subjects. We have continued to work with other cluster primary schools to ensure that our teacher assessments are robust and accurate. Pupil progress meetings take place on a termly basis to try to ensure that all pupils are on target.

HEALTHY EATING/DRINKING- BWYTA AC YFED YN IACH

Our school promotes healthy eating. Children are only permitted to eat fruit/vegetables at break time and fruit/veg is available to purchase from 'Y Siop Ffrwythau'. Children are encouraged to bring water bottles into class to keep them hydrated and are only permitted to drink juice or squash at mealtimes. Children up to the age of 7 receive daily free school milk. The responsibility for the provision of a paid for school meals service, free school meals for eligible children and deciding the form of school meals lies with Powys Catering Services. Parents are encouraged to provide their children with a nutritious, balanced packed lunch if they do not purchase a school lunch.

Sporting Activities / Gweithgareddau Chwaraeon

Sport is important to us at Builth Wells Primary - not just for the successes that our star players have achieved but also as a vehicle to promote self-confidence and co-operation for all our pupils. We place a high value on sport and its contribution to the physical, educational, social and emotional development of all our children. We try to provide a range of sports so that all pupils' tastes can be catered for.

Our football and rugby teams took part in the Urdd competitions. Builth CP pupils won the Powys Large Schools Swimming Gala for the 14th year running and were presented with the inaugural Marion Cumberland memorial shield. We took part in the Urdd Swimming competition at Brecon and some of our pupils took part in the Urdd National Swimming Finals at Cardiff. Miss Hill took the Year 3 / 4 cross- country runners to the local schools' event at Llanelwedd on 29th March. All our athletes finished in the top half of the results board and three of our pupils finished in the top 3 in each of the boys and girls races.

We took part in a football festival for local primary schools in September. We ran after-school clubs for football, rugby, hockey, art, cricket, dawnsio gwerin, enterprise, computer coding, nature and Clwb yr Urdd.

We took part in the Tag Rugby tournament at Ysgol Dolafon and Y1/2 attended the sports day at the golf club.

The Y6 hockey team took part in the Activate hockey tournament in Llandrinod Wells.

In May we took the junior classes to see the end of the Builth Wells stage of The Women's Cycling Tour of Britain.

The Infant and Junior Sports were held on the same day again this year, 27th June. Pupils competed strongly and enthusiastically in all events and the day was well attended by families. It was commented on by parents how well the children spurred each other on.
