

11th September 2020

Possible Opening of Busy Bees After-School Club

Dear Parent / Carer,

We are investigating whether it will be possible to re-open Busy Bees After-School Club in the coming weeks.

If we do open we would have to restrict numbers. Therefore we are asking parents who really do depend on Busy Bees to respond. If you can continue to make other arrangements after school, please do so.

It would help us enormously if you could supply the following information by email or phone by Friday 18th September:

- Name(s) of Child(ren) needing to attend
- Preferred days of the week

In addition, we would like to know if you could manage with a shortened session, ending at 4.30 p.m.*

*We are considering a shorter session because we will have to keep the children in groups and they won't be able to move freely around the hall. Hopefully we will be able to take a group at a time outside, but it won't be the same 'free play' experience that they are used to. The fewer children we have, the less likely it is that we will need to shorten the session.

Once we have gathered this information, and worked out how many staff we have available to us, we will carry out a covid risk assessment to see if we can open. We will open as soon as we can but we have to be sure we are providing a safe environment.

Diolch yn fawr,

G. Cornelius
