22/12/21

Dear Parents/Carers,

We would like to explain to you how we will deliver 'blended learning' for our Key Stage 2 pupils (Years 3 to 6) on Friday 7th January:

- Be the end of 6th January, the plan and the resources will be found in J2E (Y3/4) or in 'Assignments' on Teams (Y5/6). The tasks have been designed so that children will not need to print anything. It will be possible to do the work online or with their own pen and paper.
- We need as many people as possible to access the work online, but if it really isn't possible, please contact the office by lunchtime on Thursday 6th January so we can print some for you. You will then be able to collect on Thursday afternoon until 5.30 p.m. or Friday morning.
- We enclose a copy of your child's **online learning passport** which reminds you of your child's HWB log-in details, and also instructions on how to find their work on HWB. If in the unfortunate event that the school is closed for any longer than 7th January, then all future home-learning tasks will be found in the same place so please keep the blended learning passport safe.
- On Friday 7th January, we will be hosting two online check-ins for the class so watch out for your child's invitation to these on TEAMS at the beginning of January. We would like the children to attend **one** of these sessions, which will last about half an hour, so that we can 'catch-up' with them all and hear about their Christmas holidays.
- On that day, we will also write a new year message to the children in the POSTS area on our TEAMS page. Please encourage them to reply to our message.

Until then, we hope you all have a lovely Christmas and a good start to the new year.
Nadolig Llawn a Blwyddyn Newydd Dda!
