# HUBBLE BUBBLE!

Volume 1  
Issue 458

29th January 2021  
29 Ionawr 2021

## Diary Dates:

- ☺ 15-19/02—Half Term Break
- ☺ 29/03-09/04—Easter Break
- ☺ 06/05—INSET Day
- ☺ 07/05—INSET Day
- ☺ 31/05-04/06—Half Term Break
- ☺ 19/07—Summer Holidays
- ☺ 02/09—INSET Day
- ☺ 03/09—School Starts for pupils Term
- ☺ 25-29/10— Half Term Break
- ☺ 17/12—Christmas Break
- ☺ 04/01/22—School Starts for pupils Term

Here in the Hub we are busy working as always! After all, it is school!

Our topic this term for Year 1 and Year 2 is 'Bubbles and Brews' and it fits perfectly to the current situation as both our year groups are in a 'bubble' too!

We thought long and hard about how we could make our learning fit the topic and decided that we would work our magic and transform the classroom. Last week, as well as completing all of our online learning, we decided to cast a spell on the classroom and make it magical. We built a new small world with a volcano, dragons, dinosaurs and hot

melting lava (painted rice!) and then we painted 'dragons' eggs' for the nest.

As well as all of this, we thought that the classroom was not complete without a 'Potions Lab' in order to cast spells on the adults in the room making us work – so we did! A few eyeballs, spiders, and two wands later we had a cauldron bubbling! It has been great making up new potions.

Miss Comley and Mrs Carter have been really helpful this week too. Miss Comley helped us make lots of play dough so that we learnt about heating, cooling and mixing and Mrs. Carter helped us make colour spinners to learn about mixing colours.

# HUBBLE BUBBLE!

We wish we could use our magic to bring all of our friends back to school to help us with our topic but at least we get to see them on Teams and keep them up to date with what is happening in school via this Newsletter. I hope all the rest of the Foundation Phase are as busy as we are too!

In the mornings we have been completing loads of work on building sentences to include adjectives, verbs, adverbs and speech marks ready to write fab stories next week where we will change the Magic Porridge Pot into something creative. We have also learned how to use number facts to complete tricky sums – like magic!

Below the children give you their thoughts on what we have been doing ...

*'I painted a magic pebble for my story'. (Ette)*

*'I like playing 'Teach your Monster to Read'. (Billy)*

*'I like playing with the big dinosaurs by the volcano'. (Jake)*

*'I used the bright orange lava and put it over the volcano'. (Evalina)*

*'I liked making the play doh with salt, water, flour and food colouring'. (Tomos)*

*'I had fun doing number bonds and lily pads in maths on the laptop'. (James)*

*'I've been playing with the big dinosaurs with their eggs'. (Henry)*

*'I like being with my friends and using play doh'. (Tom)*

*'We made a bat, a worm and a spider with the play doh'. (Oli)*
