As part of our expressive arts topic called 'Boomerang', we used the film called 'Blinky Bill'. Blinky Bill is an Australian superhero koala. In class we learned how to use a Green Screen, how to present a report and how to use facts from the film to write questions and notes. We put these skills altogether to produce some media work which we are really proud of!

Here are a selection of our live news reports and pictures of us putting our skills into practice!!

Here is what the children thought ...

'When we watched it back, it looked real. I liked it loads!' Olly

'I liked going in front of the green screen and being a presenter saying "Welcome to the Australian News"! Sofia C.

YEAR 6—Under 12's Welsh Cricket Team

Under 12's development welsh cricket team

I found out I was in the under 12's development welsh team on the walk home from school

We have been doing trials to get in the welsh squads

I'm a better bowler but I'm more of a all rounder in cricket

We played some games as well as the trials to get in, they were seeing what we could do and how good we were

The letter that told us we were in the squads was sent last Friday

I'm proud that I'm in the under 12's development welsh team

I have been playing cricket for 4 years which is the whole time I've been in Wales for
