

5<sup>th</sup> June 2018

Dear Parent/Carer,

As part of our Primary – Secondary Program, your child is invited to a Year 5 Transition day on **Tuesday 19<sup>th</sup> June** at Llangatwg Community School. The event will be an opportunity for your child to visit our school, meeting a wide range of staff and other pupils, hopefully beginning the preparations for their transition to secondary school next year.

The pupils will be transported to Llangatwg from their primary school to arrive at approximately 9.30am and leaving at 2.00pm, returning in time for the end of the school day following a range of exciting activities throughout the day. Pupils will be taking part in a PE session during the day, and so will need to **wear their school PE kit to school**.

The arrangements for the day will include opportunities to purchase lunch in the school canteen, or they can bring a packed lunch, along with mid-morning break if the pupils wish to bring along a small snack. The cost of lunch and the mid-morning snack will be £3.00 in total. Pupils who are entitled to free school meals in their primary school will also receive free school meals during the day with us, but would need money with them (up to £1.20) if they wished to buy break time snacks. The correct money would be very useful for us on the day.

We are very much looking forward to welcoming your child to Llangatwg Community School.

**Yours Sincerely,**

**Mr. Scott Barnes**

**ALNCo and Transition Coordinator**

Ysbrydoli Dyheu Llwyddo **Inspire Aspire Succeed**
