Welcome Back to all Pupils

Welcome Back!

We would like to wish you all a warm welcome back to the start of the new school term. The staff are all looking forward to working with your children and ensuring that they are happy, enjoying their learning and making the most of every opportunity in school. There will be the chance next week to meet with your child's class teacher however if you have any initial queries or concerns please do not hesitate to contact the school. All teachers are also available to answer any of your questions in the yard every morning between 8:40 and 8:50.

What will the pupils be learning this year?

During the last two Inset days of the term, teachers were busy planning the topics and skills which the children will be working on this coming year. A great deal of thought goes into the planning of these topics to ensure that all pupils are accessing skills appropriate to their ability regardless of the class that they are in. This year all classes will be following the same general themes which will be broken down into topics appropriate for each year group.

Term 1: World War 1. Term 2: Wales Term 3: The Beach.
(Term 1. Class 1 / Nursery - I'm Special, I'm me!)

Important Dates

Please always check the school website calendar for more important dates.

Meet the teacher :

The School Website.

<https://creunant-primary-school.j2bloggy.com/>

The Website is regularly updated with news, dates, photographs and important information. This term staff will also be working on creating class pages to celebrate pupil's work.

When possible, letters sent home with the pupils are also put on the "Letters" section so should your child not bring a copy home you will be able to view or download a copy from the website.

The website is a great opportunity for sharing photographs especially of trips and residential visits. Only photographs of pupils where consent has been given are shown on our website. Please ensure that you have returned the consent form and have given consent if you wish for your child's photo to be shown on the website.

Attendance

As you are probably already aware your child's attendance is extremely important to us. The school provides half termly colour coded letters to keep you updated on your child's attendance. The school rewards pupils with 100% attendance for the month by putting their name into a draw for a prize. Also at the end of the year pupils with 98%+ attendance are taken on a fun day out to celebrate their achievement. However if we have concerns over unexplained absences or a low level of attendance parents may receive a visit from our Education Welfare Officer Mrs. Jayne Bradley.

How you can help:

Inform the school immediately if your child will be absent that day.

Avoid taking casual days to make long weekends as these soon add up.

Check the calendar on the school website to avoid taking holidays during important times for your child such as the National Testing Period.
