Thursday 14th November 2019

Dear Parent/carer,

Thank to everyone who has already attended our Next Steps in Learning meetings this week despite the terrible weather. We hope these have been useful to you in knowing how your child is doing in school and how to help them move forward at home.

You will soon be receiving information on a new App which we will be using to share information with you. The App is called Schoop and we have decided to move to this as it does so much more. Schoop will send you reminders of calendar dates, regular events and newsletters. Eventually parents will also be able to sign and return consent forms and club letters via the App. We will stop using our current texting service from December 1st and teething troubles with the new App should be expected, however whilst we are developing our use of the new App please keep an eye on the school website for up to date news.
