Home – School Agreement: Return to School (COVID-19) September 2020

This Home-School Agreement has been drafted to **clearly communicate expectations** relating to pupils, parents/carers and the school in the return to school during the Covid-19 pandemic. It is vital that all stakeholders know what is expected to **safeguard the health, safety and well-being of everyone concerned** and to **maximise the learning opportunities for our pupils**.

Please refer to the Carmarthenshire 'Frequently Asked Questions' pages which may be able to support you with your queries:

THE SCHOOL

The school commits to:

- **Provide a safe and welcoming environment**, which has been **risk assessed** in response to the COVID-19 virus;
- **Create groupings or 'bubbles' within the school**, which will help to minimise contacts and mixing between people;
- **Follow Carmarthenshire County Council Risk Assessment Policy, in conjunction with the Welsh Government Guidance:** <https://gov.wales/operational-guidance-schools-and-settings-autumn-term-version-2-html>
- **Mitigate and reduce as many risks** as possible in our school setting;
- **Social Distancing** - We will do our utmost to adhere to, and enforce, social distancing guidance, as advised for our school setting;
- **Hand Washing**- Pupils and staff will be required to wash/sanitise their hands thoroughly and regularly throughout the day. Correct hand washing will be modelled and supervised by staff, in an age-appropriate manner. In addition, dedicated hand sanitising stations will be available around school.
- **Cleaning**: Cleaning regimes will be rigorous, with regular cleaning of frequently touched surfaces, door handles, toilets, etc.
- **Clothing/uniform**: Children are expected to wear school uniform this term.
- **Catering**: School meals will be provided to pupils from 14th September. Pupils will need to bring in a healthy packed lunch until this date.
- **Attendance**: All pupils will be required to attend school from 14th September 2020, unless there are valid medical reasons not to. School **will no longer continue to routinely provide online work** in September. This will be regularly reviewed and updated according to local circumstances.
- **Risk Assessment**: The school will ask parents to carry out a health risk assessment **before** pupils return to school in September. This does not need to be completed daily, **but will need to be updated if your child or family's health/circumstances change**. It is vital that the school is informed of any changes which are linked to symptoms or risks associated with COVID-19.
- **Symptomatic Pupils**: The school will contact parents/carers if a pupil displays any symptoms of COVID-19. Parents will be expected to collect children from school immediately. There will be an isolation room, or dedicated space, made available for symptomatic pupils.
- **Track Trace and Protect** : If any member of staff or pupil becomes unwell with COVID-19 symptoms during school hours, the school will immediately contact **Delta Wellbeing on 0300 333 2222**. **NB. If this occurs during the summer holidays, or out of school hours, parents should immediately report this by calling 0300 333 2222 or by emailing TTP@deltawellbeing.org.uk** (24 hour service).
- **PPE**: Appropriate personal protective equipment (PPE) will be worn by staff, as advised by Welsh Government, e.g. to administer first aid, assistance with toileting, and where bespoke packages of care and support dictate this is necessary.
- **Face coverings**: Secondary school pupils will be required to wear face coverings on school transport and in school indoor communal areas where social distancing cannot be maintained, unless they have a medical exemption.
- **Transport**: School transport will be provided to all eligible pupils who have been through the application process and are unable to make their own way to school.
- We will do our utmost to offer an **engaging, broad and balanced curriculum**, with a particular focus on **pupil wellbeing**. For more details, please see Welsh Government learning guidance: <https://gov.wales/guidance-learning-schools-and-settings-autumn-term-covid-19>

PARENTS / CARERS

Parents/carers are required to respect and adhere to guidance set out by Welsh Government, the Local Authority and the school, in order to ensure staff, pupils and their communities remain as safe as possible.

Parents/carers should **agree to the following**:
