

Date: 24th May 2018 Issue 286

Dear Parents,

Come and join us tomorrow at 1.45pm for our ONE MILE walk in support of Cafod's current campaign – Share the Journey. This is not a fundraiser; we simply are inviting you to join us in our support of this campaign and to sign the petition to government if you wish. CAFOD has invited schools and others around the world to help them walk 24,900 miles, which is the distance around the world to show we care. Our walk will begin and end in the school grounds and we will be able to register the total number of walkers as the total number of miles walked by our school. Thank you very much for your support.

Share the Journey #sharejourney

Ice Cream Friday was a great success last week – did you all enjoy them? Well tomorrow there will be another treat, this time free of charge... Enjoy! 😊

An appeal from Miss Phillips for all your empty, squeezey washing up liquid bottles please! Many thanks 😊

Headteacher Vacancy Update

Following the interview day this week, Governors were unable to appoint. They will therefore be meeting immediately after half-term to proceed to the next stage of the recruitment process.
