

Autumn 2016 – Bedwen’s topic was Castles and we had a fantastic day out at Conwy Castle learning about how castles and towns were built and defended.

As part of our spring topic “Fi fy Hun” (Myself) we went back in time and experienced a Victorian school day at Welshpool museum. We definitely prefer St Mary’s School 2017!!!!

Our summer topic “Habitats”, after visiting the Elan Valley and Gigrin Red Kite Centre we made our own red kite models at school.

Our Christmas panto was “Puss in Boots” and here are the town residents on market day – just like Broad St!

Dragon Art Club

Some children took part in an after school art club, making two huge dragons and then taking part in Llandyssul Dragon Festival in September 2017.
