Cymer Afan Comprehensive School

Thursday 6th June, 2019

Dear Parent/Carer,

IMPORTANT INFORMATION FOR YEAR 9 & 10 PUPILS

We are nearing the end of the term for Year 9 and 10 and we have traditionally started the new curriculum for the last 6 weeks of term. However, due to the closure of the comprehensive school and the majority of pupils moving to Cwm Brombil we are not in a position to implement option choices in GCSEs and BTECs for the final few weeks.

Instead, Year 9 and 10 will receive additional lessons in finance, wellbeing, food technology, physical education, welsh, etc. This curriculum has been put into place to help promote life skills and transition for the pupils before they move onto their next school. These additional lessons will replace year 9 and 10 options time and core subjects will continue as normal.

Can I thank you for your continued support of the school and could you please ensure that we maintain our high standards till the very end and ensure that your child is appropriately equipped and adhering to the school uniform and behaviour policy.

I wish every pupil success in their examinations and in the future. Many thanks.

Yours sincerely,

Mr. G. Groves,
Acting Headteacher.
