

Year 2/ 3 Home Learning Tasks Summer Term

2020 - Week beginning 27th of April

Enchanted Woodland

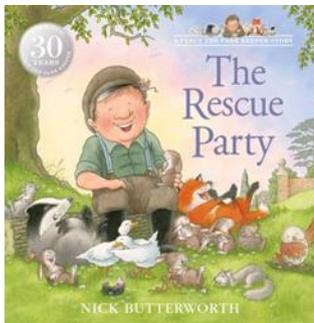

Although school isn't open right now we want to try and keep things as normal as possible for the children, so we will be introducing our new topic 'Enchanted Woodland' for this half term just as we would if we were in school.

In addition to the Language and Maths work that we set before we closed, here are some activities for you to do at home. Do as many as you can and continue to upload to Seesaw. It really is great hearing from you and we love seeing the photos of you completing the tasks.

Remember to keep practicing your numbers, phonics and reading every day as this will make huge difference when we open again. We really don't want you to have forgotten everything you've learnt so far.

Percy and the park keeper

Did you enjoy the story of Percy the Park keeper; The Rescue Party? What was your favourite part of the story? Why? What was the least favourite part of the story? Record you talking about this and send it on seesaw.

Percy the Park keeper

Watch and listen to the story Percy the park keeper: The Rescue Party .

Imagine that Percy was coming to visit - Can you think of questions you would like to ask him?
Challenge: Could you take a video of yourself asking the questions and 'interviewing' Percy?

Audio: <https://www.bbc.co.uk/teach/school-radio/eyfs-storytime-the-rescue-party/zkrdrj6>

Full video: <https://www.youtube.com/watch?v=aHPHmJXeWew>

Creative time

Can you create a self-portrait using outdoor materials that you can find?

Fact File

Can you research and create a 'Fact File' for your favourite woodland animal? You could use ICT to create this or use pencil and paper. Remember to try and include as much information as you possibly can!

<https://www.twinkl.co.uk/resource/t-t-16108-woodland-animals-factfile-worksheet>

ICT

Can you work with an adult to google images of your favourite woodland animals and copy and paste them onto one document?

Be creative, it is up to you how you set this out!

Diary Entry

Just like we complete a weekend recount each week, I would like you to do a 'diary entry' about your week at home. You don't need to include lots of detail, just what has been your favourite activity, meal, film etc.

Remember capital letters and full stops please!

Shape Hunt

Can you find 3D items from around your house and name them? How many faces do they have? How many edges? Are they straight or curved edges?

I have attached a powerpoint from Twinkl to refresh your memory over what we have previously learnt.

Take a picture and upload to Seesaw.
