

The Great Cape VE Day Bake Off

To celebrate VE Day or Victory in Europe Day, we are holding a Great Cape VE Day Bake Off. This means you need to put your cooking skills to use. Unfortunately, we can't be Prue Leith and Paul Hollywood and taste your creations so they will be judged solely on presentation.

Your entries can be savoury or sweet. They can be cakes, bakes, soups, pies, any recipe you want! You can decorate them however you like, be creative! All entries are welcome whether they are master pieces or master flops as there may be more than one winning category!

To enter:

- Upload a photo of your creation to SeeSaw or email your photos to me.
- Children **MUST** be involved in the cooking process - you're year 5 and 6 so maybe have a go at doing this independently with adult supervision. You can read instructions, measure and use your arms to mix!
- Send photos of you making your creations and your final product through SeeSaw and/or email by Friday 8th May 2020.
