

# Year 2/ 3 Home Learning Tasks Summer Term 2020

## Week beginning 15<sup>th</sup> of June

All Home Learning tasks are uploaded to Seesaw and our school website

### Literacy task

#### Can you write a letter to me?

- Remember to include your address and the school address
- Take a look at the layout of a letter to help you
- Tell me all about your 'lockdown' experiences, how have you felt? What are your thoughts for the future? What have you missed about being in school? What hobbies have you been able to? What hobbies have you not been able to do?

I have attached a template for a letter on [Seesaw](#).

There is no need to actually post the letter, you can just upload to [seesaw](#) (unless they desperately want to post it, they are more than welcome).

### Numeracy task

#### Can you complete the Mixed Math questions?

I had a really good response from the Pirate themed math problems last week. Very similar this week, there are a variety of different types of math question included - some can be done as mental math and others will need to be worked out with paper and pencil.

-I would love to see some of you workings out. Remember to take a photo and upload to show me !

I have uploaded this to [Seesaw](#) for you to access.
