

Year 2/ 3 Home Learning Tasks Summer Term 2020

Week beginning 22nd of June

All Home Learning tasks are uploaded to Seesaw and our school website

Literacy/Topic task

Our topic this half term would have been 'Street Detectives'. We would usually focus at looking at the village you live in and talk about all of it's wonderful features.

I would like you to think carefully about the things that you love about your home, street and village. After you have thought about this and possibly mind-mapped your ideas you can begin your challenge. Can you create an advert for your village, celebrating the lovely things about it?

- The aim of this advert is to convince a new family to move to the village. Pretend you are an estate agent and try to show off the place you live.

Are you up for the challenge?

You could include:

- Does it have a park?
- Do you have lovely neighbours?
- What important places are there - shop, school, surgery?
- Is it a short/long way from school?
- Where is nice to go walking in your area?
- Where is the nearest supermarket?
- Is there lots of trees and plants?
- Are there large fields to play on?

Please be as creative as you would like to be!

When writing an 'advert' we would look at some examples of them and the language which they use. It may be worth watching/reading some adverts and having a discussion about the language and purpose.

Some sentence starters and phrases you could use:

If you are looking for a lovely, peaceful village _____ is the choice for you.

We have the very best.... In the village we have

If you enjoy long walks in the countryside, then _____ has a lovely choice.

If it's fresh air that you want, _____ is the place for you.

Numeracy task

Can you complete the Mixed Math (Section 2) questions?

As I've said previously, I'm really impressed with some of the responses to the math questions. Very similar this week, there are a variety of different types of math question included - some can be done as mental math and others will need to be worked out with paper and pencil.

-I would love to see some of you workings out. Remember to take a photo and upload to show me !

I have uploaded this to [Seesaw](#) for you to access.
