

Year 2/ 3 Home Learning Tasks Summer Term 2020

Week beginning 8th of June

All Home Learning tasks are uploaded to Seesaw and our school website

Literacy task

Can you write an acrostic poem all about Summertime?

- What are your favourite memories of summertime?
- What activities do you usually look forward to?
- Think about the five senses; what can you see, smell, hear, taste, feel.

I have attached a template for this poem on Seesaw. However, I know that it is difficult to print and would love to see your own creative versions.

Numeracy task

Can you complete the Pirate Math problems?

There are a variety of different types of math question included - some can be done as mental math and others will need to be worked out with paper and pencil.

-I would love to see some of your workings out. Remember to take a photo and upload to show me !

I have uploaded this to Seesaw for you to access.
