An ostinato is a repeated pattern.

You are going to watch a video by 'Ollie Tunmer - Beat Goes On'
Click on the link:

<https://www.youtube.com/watch?v=j4mZhv9HS-g>

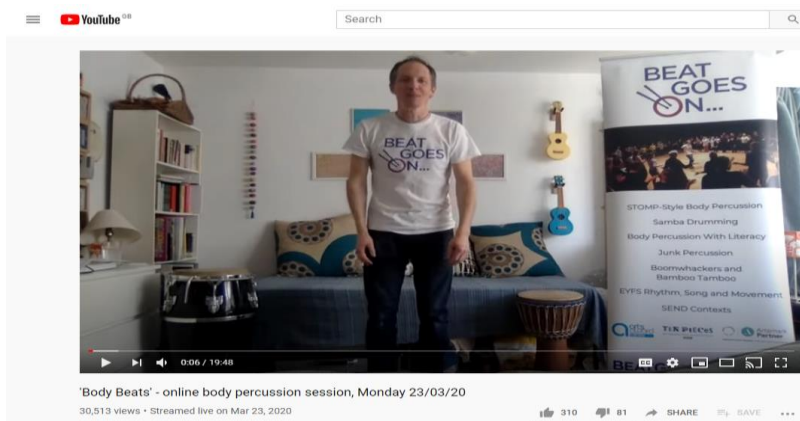

This picture should be on your screen.

If this does not work type into google:

Ollie Tunmer The Beat Goes on Monday 23/03/20

Then click on the video that has the same picture as above.

This is what you should see and hear.

From the beginning until about 2 minutes in Ollie Tunmer will tell you about himself, and what you will be doing.

He will then start to perform rhythms and you need to copy.
Finish watching the video around 18 mins 20 seconds

Here is a pattern grid from the Ollie Tunmer video.

Beats	1	+	2	+	3	+	4	+
Words	Stomp		clap	the	rhythm	like	that	
Action	Stomp feet		clap hands	Tapping chest			clap	

Your task is to create your own body percussion pattern using the pattern grid below:

Beats	1	+	2	+	3	+	4	+
Words								
Action								

Once you have completed the pattern grid why not record it and send back to your teacher to see.
