

THE WEEKLY W C CHALLENGE

Hello Year 3/4 and welcome to your weekly challenge!!!

Did you know that today is World Oceans Day? To celebrate this we are going to do a mini project on ocean predators. Your challenge is to decide which ocean predator is the best!!! You need to present information about 5 different ocean predators to your family and decide which one is the best predator and why. You can either produce a poster about each predator or create a PowerPoint presentation that includes a page on each predator.

Send me a picture of your posters and let me know which predator your family chose!

Have fun!!!!!!

Information poster checklist:

- At least 5 facts
- Images of the predator
- Eye catching writing
- Rhetorical question
- 'Did you know?' section
- Good layout

Look at the example poster to help you!
