

We're supporting

**BBC**

**Children  
in Need**

Friday 13<sup>th</sup> November

Dear Mums and Dads, Grans and Grandads,

As requested by the children, we are supporting BBC's Children in Need again this year but in a slightly different way to normal. Following on from the support we have given to the NHS this year, our chosen theme is colourful rainbows and we will be raising money in our individual bubbles with lots of fun activities in class.

Pupils can wear anything colourful, the brighter the better to show their support in exchange for a small donation (which will be deposited into a tin and not touched for 72 hours to comply with Covid regulations.)

Thank you for your continued support.
