

## Ysgol Gymraeg Castell-nedd

### Y geiriau mwyaf cyffredin yn yr iaith Gymraeg (401-500)

Gofynnwn i rieni i helpu eu plant i ddysgu ac i ddwyn i gof yn gywir y geiriau isod. Mae'n fwriad gennym i asesu eich plentyn nifer o weithiau yn ystod y flwyddyn ysgol. Fe fyddwn yn eich hysbysu o berfformiad eich plentyn yn yr asesiadau hynny wrth iddynt fynd yn eu blaen. Disgwylir i blant o bob oed sgorio o leiaf 90 o atebion cywir cyn iddynt allu symud 'mlaen at y 100 gair nesaf. Mae eich plentyn eisoes wedi dangos, mewn asesiadau blaenorol, ei fod/ei bod yn gallu sillafu'r 400 gair cyntaf yn gywir ac yn hyderus.

*We ask all parents to help your children to learn and memorise these words. It is our intention to assess your child several times during the academic year. We will inform you of your child's performance in those assessments as they take place. Pupils are expected to score a minimum of 90 correct answers before they move on to the next 100 words. Your child has already shown, in previous assessments, that he/she is able to spell the first 400 words correctly and confidently.*
